

REVEAL™ Reports

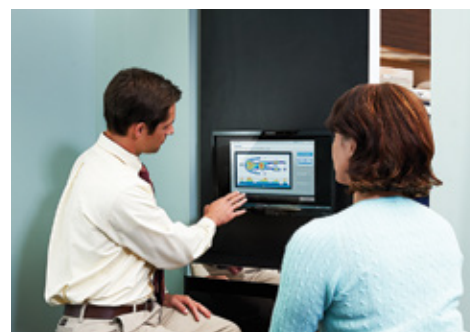

How do you know **REVEAL™** is working for you?

Track conversions before implementing the REVEAL™ Mattress Recommendation System and see the results after. REVEAL Reports can ensure the successful launch and maintenance of your REVEAL™ technology. It's also a great service to use for pilot programs — see how your sales staff are using REVEAL™, fine-tune the sales process and increase your bottom line.

REVEAL™ Reports track your usage of your **REVEAL™** system:

- Observe store performance through REVEAL™ usage
- Reinforce the REVEAL™ customer experience, and ensure the success of your pilot program.
- Monitor usage, by store and by sales person
- Track sales incentive programs tied to use of REVEAL™.
- Track conversions correlated with the use of the system
- Analyze the effectiveness of advertising and promotional events by tracking increases in use of REVEAL™
- Improve staff training. REVEAL™'s Mattress Recommendation System already gives you a 3-step sales process, making staff training a breeze. With REVEAL™ Tracking and Reporting, you can help to improve their sales process, supporting a successful sales career

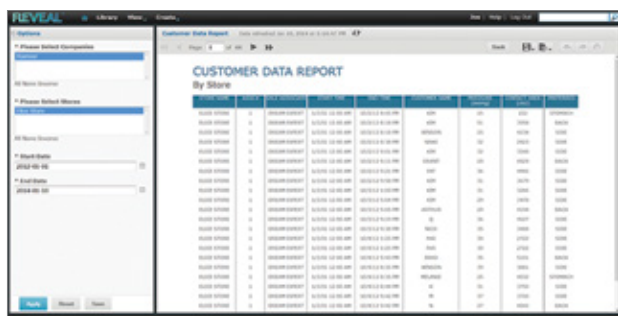

REVEAL™ Reports are available for any **REVEAL™** user.

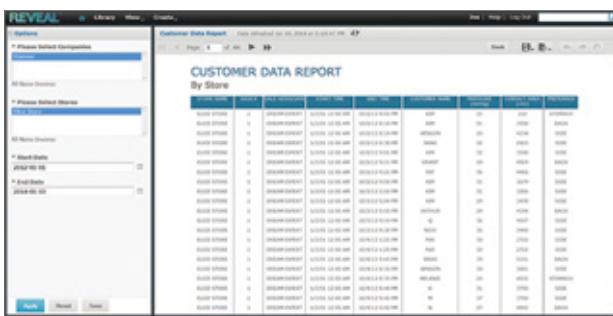

Get daily, weekly or annual sales reports about your customers, sales staff and system usage. Know what's working – and what's not – with easy-to-read reports.
